

Stephanie Renee Edsall graduated from Conemaugh Township Area Middle School/High School in 2009.

After she graduated, Stephanie attended the Indiana University of Pennsylvania where she graduated in the spring of 2013 with a Bachelor's degree in Secondary Mathematics Education. She then joined AmeriCorps, where she was placed at Ferndale Area High School for academic support with the seventh and eighth graders.

She landed a job the following year at Bishop McCort Catholic High School. Before she knew it, she applied, was interviewed, and was hired back at her old stomping grounds.

She is currently the sixth grade Math and Spelling teacher. She is also the Varsity Cheerleading coach and Senior High Student Council Advisor.

Her favorite memory from Conemaugh Township is when Kevin Byer dunked the ball just as the buzzer sounded at the end of the boys' basketball game and the students ran onto the court. Her goal is to get the students' school spirit and overall atmosphere of the school's events to be at the level it was when she was in school.

Mrs. Tracy Durica was Miss Edsall's favorite teacher in high school because she went above and beyond to help every student. She was also very organized.

Stephanie stated, "She is the reason I wanted to become a math teacher!"

Stephanie is a current resident of Davidsville, Pennsylvania.
