The Conemaugh Township Area School District Foundation is a non-profit 501 (c)(3) organization whose mission is to develop meaningful relationships to support programs, projects, and activities for the students and staff at the Conemaugh Township Area School District.

Organizational discussion, informal meetings and data gathering began in the spring of 2012. In December of 2012, the CT Foundation Board formally adopted its bylaws, with membership to its nine member board becoming finalized in January of 2013.

The board meets quarterly throughout the year and at other times to conduct its business.

Members of the board of directors serve two-to-six year terms and are uncompensated for their time.

Bylaws and other foundation-related information are available on the district website.
