

# SPIRIT SALE FOR LIME OUT GAME

## ORDERS DUE SEPT 9

*Ethan Matera, our friend, classmate, and a 2026 senior at Conemaugh Township was diagnosed with T-cell lymphoblastic lymphoma (T-LBL) in May 2025. His prognosis is very good, however, the journey to healing is long. He undergoes intense chemotherapy for 6-8 months and then monthly for 2 years. Each treatment takes place in Children's Hospital in Pittsburgh to battle this very aggressive cancer. Spirit Gear available for purchase prior to the game to support the Matera family. Thank you for being a part of this special event.*

**GAME DAY OCTOBER 10, 2025**

*Be sure to include your child's school for distribution\**
