

Stephen Poznanski graduated from Conemaugh Township Area Middle School/High School in 1991.

Following graduation, Steve attended The University of Pittsburgh at Johnstown where he majored in computer science. He then married Gina Marisa and lived in Virginia for five years. Following their time in Virginia, Steve and his family moved back to Davidsville. He currently works at JLG as a systems analyst.

When asked about his favorite teacher in high school, Mr. Dave Michaels was at the top of his list. Mr. Michaels was not only a teacher but also the varsity baseball coach. They grew very close during his high school career and Steve appreciates everything Mr. Michaels did for him.

“He made learning fun, he cared about his students, and was just a great teacher,” Steve stated.

Steve had many fond memories while attending Conemaugh Township, but playing sports was one of his best. His fondest memory was making it to The Final Four in the state in both basketball and baseball during his senior year.

“Sports were a great time while attending Conemaugh Township; I have memories that will last a lifetime.”

Steve currently resides in Johnstown with his wife and 3 children, Jordan, Tyler, and Mya.
